International Traveller's Insurance**

**(bitte stets angeben)**

We hereby confirm health insurance cover for the following person(s) for up to 8 weeks per stay abroad:

-

and for spouses and partners living in the same household. Your and their children are also included in the insurance cover until the age of 21. Children include stepchildren, adopted and foster children.

The travel health insurance provides insurance cover for illnesses and accidents that occur abroad and provides 100% reimbursement of all costs associated with:

- medical treatment (as an out- or in-patient) including operations, accommodation and meals in hospital,
- the admittance of an individual to accompany the insured person during their stay in hospital, if the insured person is younger than 18 years old,
- medication, dressings, pharmaceuticals and aids (excl. visual and hearing aids),
- pain-relieving dental treatment (e.g. starting root treatment), simple fillings, provisional dentures (e.g. clasp prostheses) and repairing dentures, crowns, dental bridges and inlays,
- rescue costs in medically threatening situations or in case of death up to EUR 15,000,
- medically expedient and reasonable repatriation including one accompanying individual,
- assistance services provided by the 24-hour emergency hotline available 365 days a year: Specifying and arranging for hospitals abroad, establishing contact between doctors in every major language, informing the relatives of the insured person, costs covered guarantee for hospitals and settlement of the bill with the hospital or the doctor responsible, organizing repatriation due to illness, organizing burial abroad or transfer from abroad,
- return travel for a related individual (including organizing it) should a stay in hospital of more than 8 days be necessary and the insured person traveled alone,

- trips to the hospital to visit and costs for a hotel room near the hospital where the insured person is a patient (including organizing it) for one accompanying individual for no more than 8 days, maximum EUR 25 per day for trips to visit and maximum EUR 80 per day for hotel costs,
- organizing the care during the trip and the return journey for the insured person's children under 18 years of age, if the children can no longer be looked after,
- transfer to Germany in the event of death abroad,
- funeral abroad up to EUR 10,000.

The scope of the insurance cover is based on the General Terms and Conditions of Insurance.

A minimum sum insured in the amount USD 100,000 is guaranteed.

Treatment in connection with epidemics/pandemics is included in the scope of cover.

The travel rates also provide insurance cover if a travel warning is issued for a country in connection with the coronavirus pandemic.

The travel health insurance offered by Allianz Private Krankenversicherungs-AG reimburses treatment abroad, including in the case of contracting the coronavirus, insofar as said treatment is medically necessary. We will assume the costs for both in and out-patient care as well as for medication, dressings and remedies other than drugs. Quarantine costs are not reimbursable.
